Mission
Camp Odayin provides fun, safe and supportive camp experiences and community building opportunities for young people with heart disease and their families.

Core Values
♥ A holistic approach to healing hearts
♥ Nurturing and developing independence, confidence and acceptance throughout our campers’ lives
♥ Creating a sense of community among our heart family
♥ Having fun and celebrating life

Camp Odayin
2013 Annual Report

Program Update
It was an exciting twelfth year for Camp Odayin. In 2013, 625 people experienced a positive, life-changing camp program as part of our “heart family”. For the first time since 2006, we hosted a Camp Odayin reunion. The picnic was attended by over 100 past and present campers, family members, and summer camp volunteers. Record numbers at Family Camp led us to secure a camp location in Wisconsin to offer a second session in 2014. As Camp Odayin grows and welcomes more people into our family, our reach may broaden, but our mission remains the same. Each camp experience costs only $25 per camper. The actual per person costs of $600 for Residential Camp, $250 for Day Camp and $100 for Family Camp and Winter Camp are covered thanks to donors. We are grateful for the overwhelming generosity of our supporters. Thank you for making yet another wonderful year possible for Camp Odayin!

The third year of Winter Camp was hosted in February during a three day weekend at Camp Wapo in Amery, Wisconsin. Cold temperatures didn’t stop 76 campers from reconnecting and enjoying fun in the snow, tubing, and playing broomball.

Four sessions of Residential Camp were held at Camp Knutson in Crosslake, Minnesota where campers ages 8-17 experienced five days of horseback riding, archery, nature, arts and crafts, water sports and much more. 260 campers joined us from 15 states.

Five mornings of Day Camp were held at the Dodge Nature Center in West St. Paul, Minnesota. Campers ages 6-7 met new friends while enjoying themed activities, arts and crafts, nature and an introduction to our mission.

In October, Family Camp welcomed a staggering 61 families for an ‘Alice in Wonderland’ themed weekend at Camp Wapo in Amery, Wisconsin. Parents, heart patients and siblings laughed and learned along with other families who share similar life experiences.

The Scholarship Program provided tuition assistance to two former campers pursuing post-secondary education. In addition, we awarded two scholarships to summer camp volunteers. The staff scholarship is presented annually to one or more camp volunteers enrolled in a professional nursing, medical doctor, or pharmacy program.

The Volunteer Program consisted of 252 amazing people in 2013. Throughout the year, these volunteers generously donated 9,311 hours of their time providing support to our events and programs.

Special thanks to the host sites for our 2013 camp programs: Camp Knutson (Residential Camp), Camp Wapo (Family & Winter Camp) and Dodge Nature Center (Day Camp).
Financial Update

Total Income
$538,825

“Forget Disney...Camp Odayin is the most magical place on earth! I was a camper for three years, only because I didn’t find out about it until I was 13. At Odayin, I was never made fun of for my scars or not being able to ‘keep up,’ and best of all, I got to meet other kids just like me! I had never met anyone else with a heart condition that was my age, and having that opportunity was truly life-changing. I am now pursuing a degree in Biology/Pre-Medicine to prepare for a career in pediatric cardiology. I have the confidence to follow my dreams, and hope to return as a volunteer physician.”

Former Camp Odayin camper

“Thank you again for another great summer camp experience! My son got in the car yesterday and said, ‘Mom, that was by far the best year ever!’ As we continued to talk about things that happened that week he said, ‘I love it because everyone is on level ground. There aren’t cliques. There aren’t the jocks, the nerds....we are all the same. It’s not like that at school.’
I know what you do takes a tremendous amount of planning and coordinating but every minute of it paid off! When you cheer for every camper that comes in and identify something specific about them they are really good at...it makes such a huge difference to who they believe they are.
What an extraordinary group of people!”

Parent of a Flambeau camper

Program Expenses*
Residential Camp - 70%
Family Camp - 12%
Winter Camp - 9%
Day Camp - 3%
Other - 6%

Total Expense
$438,646
Fundraising Update
Generous philanthropists raised a total of $145,755 at fundraising events in 2013.

- Have a Heart Benefit - 385 guests raised $57,619
- Whole Heart Golf Tournament - 136 golfers raised $63,337
- Heart & Sole Walk / Run - 775 athletes raised $24,799

2013 Donors

“This summer will be my sixth summer volunteering at Camp Odayin. When I signed up my first year, I was expecting to enjoy a week away at camp, on a lake, with some fun kids. What I ended up with was a life-changing week and a second “family.” The kids weren’t just fun, they were amazing. I was with the 14-17 year old kids and was blown away by the respect and concern they showed for others. Everyone was included, no matter their looks or level of ability. Camp Odayin really is just one of the most fun, amazing, life-changing places in the world.”

Volunteer Camp Nurse
