

GETTING TO AND FROM CAMP

Campers may either ride the camp bus from the Hilton Minneapolis/Bloomington (3900 American Boulevard West, Bloomington, MN 55437) or get dropped off directly at camp (Crosslake, MN). Camper registration takes place at both locations. **A parent or guardian MUST check in each camper - campers are not allowed to check themselves in.**

Riding the Bus

The Camp Odayin bus will be departing from the Hilton Minneapolis/Bloomington hotel parking lot **PROMPTLY at 9:15a.m.** on Monday morning. Camper check-in will take place prior to boarding the bus in the hallway outside of the ballrooms. All campers should plan to arrive **between 8:15-9:00 a.m.** to be checked in. Please put your luggage directly on the bus before coming into registration, but bring your “carry on” items (if any) with you into the building. Water bottles (and water) and a snack on the bus will be provided; we will eat lunch at camp.

Getting Dropped Off Campers may be dropped off at camp **between noon and 12:15 p.m.** (please no earlier) on Monday afternoon. Check-in will take place on-site during that time and we request that you please stay with your camper until the bus arrives. The nurse assigned to your child’s cabin will check in your child’s medications when the bus arrives.

Camper Pick up

If you are picking up your camper at camp, please arrive **between 2:30 and 3:00 p.m.** on Friday afternoon. If taking the bus, we will arrive back at the Hilton Minneapolis/Bloomington Hotel parking lot between 5:45-6:15 p.m. If for any reason the bus will be late, a hotel representative will inform parents waiting outside. **Your child needs to check out with their counselor before leaving.**

Drop off and pick up safety procedures – Bus loading/unloading procedures

- Campers put their luggage directly on the bus upon arrival at the hotel
- Campers register in the hotel and remain in the hotel until busses are boarded
- Medical and Leadership staff will ride each bus and monitor the safe loading and unloading of campers on each bus
- Bus driver reviews safety rules once everyone has boarded the bus

ANGEL FLIGHT CENTRAL

Angel Flight Central is a wonderful service that can provide transportation for our campers that need assistance. Campers flying with Angel Flight Central will not ride the bus to camp. Rather, they fly directly into the Brainerd, MN airport. We will provide transportation from the Brainerd airport to camp for campers traveling on Angel Flight Central. You work with Angel Flight Central directly to fill out paperwork and coordinate times. Please contact Angel Flight Central directly **BY June 1st** to coordinate. Call 1.866.569.9464 or email wings@angelflightcentral.org

JOE GILLIS SCHOLARSHIP

With the generous support from the Joe Gillis Memorial Fund, we are able to offer transportation scholarships for those living more than 250 miles away. Up to \$300 can be reimbursed for your travel costs. We are also able to cover your child's cost to attend camp if you are unable. Contact the Camp Odayin office at info@campodayin.org if you are in need.

CORRESPONDENCE

If you'd like to send written mail (please no care packages) to your child while at camp, the address is:

Camper Name
Camp Odayin at Camp Knutson
11148 Manhattan Pt. Blvd.
Crosslake, MN 56442

Please try to have mail arrive Monday-Thursday. In addition, you can send a one-way electronic message to your camper through our partnership with BUNK NOTES. Please see information in this packet if you'd like to use this service. In case of an emergency, you may contact the Camp Odayin cell phone at **651.491.8673**. **This phone will be activated between July 9-29 only**. You may call this phone the weekend before your child attends camp and the week during their time at camp. Outside of those times, please call the Odayin office at 651.351.9185 for any needs or questions.

New this year, we have a way to send a group text to all parents in case of an emergency, storm at camp, late bus, etc. This is an opt-in service and will ONLY be used if we need to communicate with you immediately, and as a group. All other communication will be done individually. To opt-in for the group text service, please click here: <http://clk2.it/8JabqW>

CELL PHONES!

Camp Odayin maintains a strict cell phone and electronics policy for our campers and staff. **Campers may not bring cell phones or iPods to camp (or anything that can connect to the internet).** At check in, campers and parents will be asked if they have a cell phone or iPod packed. If so, we will ask the parents to take the phone home with them, or we'll take care of it for the week. Any cell phone at camp will be confiscated and the consequence of losing out on an afternoon at waterfront will be enforced. Calling home or texting friends distracts from the camp experience and is not allowed. Please respect this policy.

SOCIAL MEDIA POLICY

We do not allow our staff members to connect with your camper via social media (Facebook, Instagram, Snap Chat, etc.) until your camper graduates from high school AND is 18 years old AND the camper initiates the contact. Email correspondence is ok with us, but again, only if the camper initiates contact. Please support this policy by letting your camper know they should not reach out to their awesome counselors and nurses via social media, we would be most grateful. THANK YOU!

IMPORTANT MEDICATION INFO

- Please place ALL medication in a large zip lock bag with your child's name on the outside of the bag
- Each medication needs to come to us in its **ORIGINAL** prescription bottle, clearly labeled with the camper name, medication name, and dosage. **NO PILL BOXES WILL BE ALLOWED**
- If your camper needs to take medication while on the bus – please administer this medication to your child before they get on the bus
- Please put medications requiring refrigeration in a separate bag with “needs refrigeration” and the camper's name written on the bag
- All medications must be turned in to your child's nurse. At no time during camp are campers allowed to carry or be responsible for their own medication
- Please send enough medicine for 5 full days, plus one extra day – 6 days total
- If your child has a pacemaker or defibrillator and they use a remote transmission unit (i.e. *Carelink* from MDT, *Latitude* from BSC or *Merlin* from SJM) – please bring this to camp and give to nurse at registration.

**Fill out the Current Medication Sheet and bring to registration
(do not mail to the Odayin office in advance)**

MEDICAL ATTENTION

If your child should need medical attention while at camp, he/she will be evaluated by the lead nurse and cardiologist on site. Depending on the nature of the event, one of three options will occur.

MINOR – A camp nurse will assess, treat and monitor until no further attention is needed. You will not be called. (This may include bug bites, cuts, scrapes, headaches, etc.)

NON – URGENT – A camp cardiologist will assess and treat and a nurse will monitor any treatment effects. You will be contacted and your child may be transported off site. (This may include injury related to falls, shortness of breath, excessive fatigue, etc.)

URGENT – If your child should need advanced medical care, paramedics will take your child to Brainerd Medical Center (via ambulance or helicopter) or Children's Hospital in Minneapolis (via helicopter). One of the camp cardiologists will accompany your child. You will be called immediately.

HAPPY CAMPERS

It is our hope that your children come home from camp happy and confident, with memories and friendships that will last a lifetime. Whether your child is a first time camper or a veteran, there are some important things that you can do before you even begin to pack that will help your child have a successful camp experience. Take a look at some of our "tips" and thank you for sharing your child with us!

- ♥ Make sure your camper has everything on the packing list, knows where it is in their bag and why they might need it.
- ♥ Discuss what camp will be like before your child leaves. Watching the Odayin video on our website will give them a good "feel" for their time with us. Call the camp office if you have questions.
- ♥ Make sure your child knows that you will not talk by phone while they are at camp. Let them know they can go to their counselor or nurse with ANYTHING they might need, or with any issues they're having while at camp.
- ♥ If your child has not spent much time away from home, there is still time to practice! Arrange a sleepover at a friend's house or with some other family members.
- ♥ If your child is hesitant about going to camp, don't bribe. Linking a successful stay at camp to a material object can send the wrong message. The reward should be your child's new found confidence and independence!
- ♥ Let your child know that you'll be seeing all of the fun they have through the website photos! We will post these each day whenever we can, so check throughout the week for new pictures.
- ♥ Avoid "escape clauses." Telling your child that you can pick them up early if they aren't happy sets them up for failure. If they are feeling nervous, emphasize all of the fun times, new activities and nice people at camp.

SEE CAMP IN ACTION

We do our best to post daily pictures on the Camp Odayin website for friends and family to see all the **BIG** fun we have. Log on to www.campodayin.org each day to see what we're up to! (please note – we are not professional photographers nor do we have designated time each day to upload the photos – we appreciate your patience!)
