Arrival at Camp

Camp Odayin staff will meet your family and provide housing assignments during check-in between 4:00 and 5:00 on Friday. Registration will be located in the lobby of the chapel (turn right upon entering Wonderland Camp). If you will be getting to Family Camp after 5:00, please let us know when you anticipate arriving. Between 5:00 and 6:30, staff can be found in the dining hall to check you in and after 6:30, we will be in the chapel. If you reach Wonderland Camp earlier than 4:00, please explore the town of Salem and surrounding area. We will be prepared to greet your family at 4:00.

Accommodations

There are a variety of different buildings with different housing styles at Wonderland Camp. There are buildings with rooms which have bathrooms and showers within them. Some buildings offer private rooms with bathrooms and showers shared between more than one family. Bedding and towels are provided in all buildings. We do not provide families with housing assignments prior to their arrival to camp. Visit <http://wonderlandcamp.com/> and select Rentals, then Lodging to learn more about the housing possibilities. Camp Odayin rents only the Hotel Lodging and Deluxe Lodging options.

When making housing assignments, we take into consideration the number of people in the family, willingness to share a room, and accessibility or other special needs. In order to be fair to all families, we do not take requests for specific rooms or buildings. Camp is an exercise in group living, but we do strive to honor special housing needs and requests for private spaces whenever possible.

Supervision of Children

Parents are responsible for the supervision of their children (of all ages) throughout the Family Camp weekend. The sole exception is during the parent education time / kid time. At this time on Saturday afternoon, children will be placed into groups according to age to enjoy fun activities under the supervision of Camp Odayin staff and volunteers. In order to participate in kid time activities, children must be toilet trained.

Food

Meals are provided from dinner on Friday through breakfast on Sunday. While we do not allow food from home at Residential Camp, you may bring your own food to Family Camp. We understand that you may have picky eaters, snackers, and dietary concerns within your family. Please do be conscious of not leaving open food and crumbs in your cabin. We have shared your dietary restrictions with Wonderland Camp. Unfortunately, the kitchen's dietary accommodations are limited to vegetarians, gluten-free and dairy-free. There is always a salad bar available, but Wonderland advises that families bring supplementary food to meet needs beyond these dietary restrictions. Please feel free to contact us with any questions.

Medical Concerns

While at Family Camp, each family is responsible for their own storing and distribution of medication. There are fridges, basic first aid supplies, AEDs onsite and medical assistance is close if needed. Cardiologist Dr. Frank Zimmerman of Advocate Health Care will be available during our parent only education time to answer questions and talk about issues important to all of you.

Movie Nights

Each night of camp, there will be a movie available for family viewing. We suggest visiting <https://www.common sense media.org/movie-reviews> or the Parents Guide in IMDB to consider whether the movies offered would be the best choice for your family. These resources offer feedback directly from parents and even kids, so you can read about other viewers' experiences.

Friday: Moana – rated PG

Saturday: Lilo & Stich – rated PG

Outdoor Fun

We will be spending time outside all weekend long traveling between buildings and enjoying free time so be sure to bring plenty of warm clothing for the whole family. You can check the forecast at www.weather.com and enter zip 53109. At beautiful Wonderland Camp, there's easy access to the lake. We will not provide fishing poles or bait, but if you would like to fish during free time on Saturday, you may bring your own poles. Young people 16 years old and under are not required to have a fishing license, but anyone older than 16 would need to purchase a Wisconsin fishing license prior to camp.

Special Packing List & Talent Show

The special packing list and costume items are included in the spirit of silly campiness! Make a note of these items on the packing list and start digging through closets! Also, there will be an opportunity for participation in a talent show on Sunday morning. Please feel free to bring instruments, props, and costumes if anyone (or everyone) in your family would like to participate. Neither the costume items nor participation in the talent show are required in order to have a good time at camp. Don't worry or stress if you don't have time to track down a silly costume or members of your family would rather not dress up.

Climbing Wall

There will be an opportunity to enjoy Wonderland Camp's climbing wall on Saturday afternoon. Please be aware that Camp Wonderland enforces a weight requirement for the climbing wall of 48 pounds. No one under this weight limit will be able to participate in the climbing wall.
